# ENTERTAINMENT & MUSIC

Acoustic & lightly amplified music is suggested for all our patios and lawns. Fully amplified entertainment should be contained to our salons. Your event manager will be able to talk to you in more detail about what level of noise is permitted outside. To ensure the comfort and enjoyment of all our resort guests and surrounding residential communities, sound levels at outdoor functions must be concluded by 10PM.

# FOOD & BEVERAGE

Outside food & beverage, including alcohol, is not permitted to be brought onto the Royal Palms Resort & Spa's premises. Consuming raw/undercooked meats, poultry, seafood, shellfish or eggs may increase your rise of foodborne illness. To provide our guests with the freshest ingredients and most exceptional dining experience, all menus and pricing are subject to change without notice. F&B minimums vary based on date & time. A 26% service charge & applicable taxes that are in effect at the time of the event shall be added to food & beverage charges.

# EVENT DETAILS & MENU SELECTIONS

Event details & menu selections are finalized a minimum of [4] weeks prior to your scheduled event date. Custom menus should be discussed directly with your event planning manger. All event orders must be received with definite selections and client signature no less than [14] business dates prior to event date.

# ENTRÉE SELECTIONS & COUNTS

Final guaranteed number of guests is required [12] business days prior to your function. If a meal guarantee is not given, Royal Palms will set it based on the last available written estimate. If attendance falls below the guarantee in either case, the host is responsible for the number guaranteed. If actual attendance is great than the guarantee on your final signed event orders, your master account will be charged for the actual attendance.
