

*"Whoever said money can't buy happiness simply didn't know where to go shopping", Joan Collins.*

## Sex and the City

Yes, they're back!! Now you can enjoy the same shopping experience as fashion and style icons Carrie, Miranda, Charlotte and Samantha would! Visits to fabulous new boutiques featuring to-die-for shoes, French lingerie, and fabulous clothing and unique jewelry...are all tailored for your group. Can you say Jimmy Choo, and Guiseppi Zanotti? You'll impress Big with a stop for French lingerie, and even Miranda would approve of our indulgence on handmade chocolates or towering cupcakes as a stop for a bit of shopping fuel.

## Unique Boutique

The Phoenix/Scottsdale area is a Mecca for new and unique stores and boutiques. You'll discover one-of-a kind specialty boutiques, designer showrooms and studios offering everything from the latest apparel for men, women, and baby to unique jewelry, home accessories, and gifts.

## Designer Discount Divas

Why pay retail when you can explore resale? We're known for our resources for high quality designer discount clothing and accessories. You'll be amazed at the possibilities and savings whether it's eveningwear, suits, or shoes. Better bring extra luggage for this one.

## Home Chic Home

Have you seen the abundance of magnificent homes here in the Valley and wonder where they get those divine accessories and home décor specialty items? We take you directly to the best sources for beautiful pieces and great ideas. Domestic goddesses should apply here.

## Artful Soul

There's more to Arizona than cactus. We are known for our great art, emerging new artists and jewelers. Whether your taste runs to Southwest, contemporary or traditional, art is a local product reflected in our tour. And, many offer private studio visits. Couples especially like this tour.

## Westcor Luxury Shopping Tours

Westcor VIP shopping tours incorporate the best of the best in shopping from one-of-a-kind boutiques to high-style European stores throughout the Phoenix and Scottsdale area.
