

These treatments feature small-batch handcrafted botanical products, formulated exclusively by our Herbalist, Rachel Sloat.

## **Coconut Milk & Honey Wrap**

50 minutes | \$175

Coconut milk and local honey come together in a sweet-subtly spiced aromatic blend of essential oils and mushroom extracts with warming sweet notes of vanilla and cardamom. Experience a deeply hydrating body treatment wrapped in warmth as the benefits of antioxidants, minerals, enzymes, and distinctive fatty acids nourish the skin.

## **Spanish Sage & Olive Stone Scrub and Wrap**

80 minutes | \$240

An herbaceous body treatment to cleanse and remineralize, our Mediterranean olive stone scrub and wrap is formulated with French green clay, sea salt from Spain, olive stone, infused herbal oils to promote healing, and an aromatic fusion of Mediterranean essential oils.
